

# A Tribe Called Quest Lyrics

## "Lost Somebody"

(feat. Katia Cadet)

Yeah, Phife—for your life

Now, in the time when niggas wasn't supposed to be born  
Best of us are left for dead in cities that looks war-torn  
Vietnam going wrong, heroin going strong  
Neighbors would whoop that bad ass  
Just for running through their lawn  
Walt met Cheryl, Cheryl met Walt  
Trinidadian love sprouting through the asphalt  
Love was consummated and the angels registrated  
Two were to be born but only one of 'em made it  
Inside a cloud of sorrow, a silver lining and joy  
It's a bouncing baby boy, a king's name they would employ  
And before he even squeaks, it's decided it's Malik  
Now give him hope, give him care  
Raise him while his grandma there  
Watch out mamma, if you stare  
Light brown eyes'll keep you there  
Let's progress the story just a little bit  
Malik, I would treat you like little brother that would give you fits  
Sometimes overbearing though I thought it was for your benefit  
Despite all the spats and shits cinematically documented  
The one thing I appreciate, you and I, we never pretended  
Rhymes we would write it out, hard times fight it out  
Gave grace face to face, made it right  
And now you riding out, out, out, out, damn

Have you ever loved somebody?

(Phife dawg, man)

Way before you got to dream?

(Bow wow, woof woof)

No more crying, he's in sunshine

Never thought that I would be ever writing this song  
Hold friends tight, never know when those people are gone  
So, so beautiful, opined indisputable  
Heart of a largest lion trapped inside the little dude  
Took me quick to granny house, now we eat the curry food  
Talking hopes, dreams, plans, leak ice, never scared  
Brand new pair of Nike Airs, avenue of sairs  
Mailbox mayors, all our rhymes was written there  
A nigga wanna battle, you know Phife didn't care  
Jarobi with the beat, into new ass we tear  
I'mma flash forward well, took a trip to ATL  
Cooking in the kitchen making sure my nigga eating well  
Wedding in Tobago, you know exactly where I'm at

Standing on the side of black Malik Izaak

Have you ever loved somebody?  
Way before you got to dream?  
No more crying, he's in sunshine  
He's alright now, see his wings  
Have you ever loved somebody?  
Way before you got to dream?  
No more crying, he's in sunshine  
He's alright now, see his wings  
Have you ever loved somebody?  
Way before you got to dream?  
No more crying, he's in sunshine  
He's alright now, see his wings  
Have you ever loved somebody?  
Way before you got to dream?  
No more crying, he's in sunshine  
He's alright now, see his wings  
Have you ever loved somebody?  
Way before you got to dream?  
No more cry
